- ❖ 2ND graders do have the option of playing "up" in the Lakeshore Minor's Division (if they are age eligible). Parents should consider that their son would be playing against 3RD and 4th in a division with players pitching. Players must participate in a skill evaluation.
- ❖ 4TH graders may have an option of playing "up" in the major's division (if they are age eligible). Parents should consider that their son would be playing against 5th and 6th graders. Players must participate in a skill evaluation.
